

EVENT SPONSORSHIPS = GREAT REWARDS

While we encourage you to connect with potential customers both online and in print, nothing beats personal interaction, for sales success.

Face-to-face networking is still one of the most important avenues for making direct connections to key decision-makers who build leading projects in the construction industry.

Where else can you make valuable connections via a handshake, a smile, with a prospect who wants to learn more about your firm at your trade show booth, or at breakfast after a seminar or meeting? Only at industry-leading conferences and events from *Midwest Construction* and McGraw-Hill Construction.

Our events and conferences provide unique access for construction marketers to make connections and gain new insight. The setting of our conferences and events is both informative and educational, and provides plenty of networking opportunities for you to cultivate new business and to strengthen your existing relationships as well.

Meet decision-makers at our industry-leading events, including...

- CEO's
- Presidents
- Executive Vice Presidents
- Senior Vice Presidents
- Vice Presidents
- Partners
- Business Development Executives
- Directors
- Managers

Network with industry leading companies, like these...

- | | | |
|---------------------------------------|---|-------------------------------|
| AECOM | Gilbane Building Company | National Decorating |

October 28-29, 2009 - Washington, DC – www.construction.com/events/outlook2010/

Regional Economic Outlook Conference

Local Event!

Local professionals and industry experts come together to review the latest research and forecasts for upcoming activity in the Midwestern regional market, across multiple construction categories. Many area builders base their plans upon Outlook.

December 2010 - Cities TBD - www.construction.com/events/outlook2010regionals/

Best of Awards

Local Event!

The Best of Awards is an annual celebration to honor the building teams that created the best projects in our region, in a range of categories that include steel, concrete, healthcare and more. Once named, the Midwest's "Best Projects" award winners will be entered into the National "Best of" Awards competition and will be judged against entries from other regions, and profiled in *ENR* and all ten local Regional Publications.

December 2011 - Cities TBD – www.construction.com/events/bestof2009/
